Dear Michelle:

Enclosed please find a Declaration and Power of Attorney for Patent Application in connection with the above-identified application. I'm sorry to inform you that the original declaration that you executed needed to be changed to incorporate all of the corrections, such as to your home address. We have also had some trouble receiving the executed declaration from Martin Lee, so we are asking the co-inventors to sign on his behalf until such a time as he is prepared to sign the declaration himself.

Please execute the declaration and return it to us as soon as possible in the enclosed prepaid DHL envelope. If you have any questions or concerns, do not hesitate to contact me in addition to the telephone and fax information provided above. My e-mail address is Paul.Fehlner@RP-Rorer.com.

Thank you very much for your assistance.

Sincerely,

A handwritten signature of Paul F. Fehlner in dark ink, written over a horizontal line.

As a below named inventor, and on behalf of co-inventor Martin Lee (64 Princes Street, Oxford, England, Citizenship British), I hereby declare that my residence, post office address and citizenship are as stated below next to my name; I believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

the international specification of which was filed on **February 12, 1996** as Application Serial No. **PCT/FR96/00218** which notice of transmission was given on **August 22, 1996**, by the International Bureau. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment(s) referred to above. I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a). I hereby claim foreign priority benefits under Title 35, United States Code, Section 119 of a foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.
